REMARKS

Applicant noted the objection to the drawing concerning excessive text. Only Fig. 3B included written material that is not necessary to be included in the drawing in order to fulfill the requirements of 35 USC 112. The other written material in the other Figures is necessary in order to describe properly the invention and, therefore, has not been deleted, because it is not excessive text. The text deleted from Fig. 3B will be added to the specification in a supplemental amendment after acceptance of missing parts of the application.

EXTENSION OF TIME

A two-month extension to reply to the last Office Action is requested as indicated below. The two month deadline to reply to the Office Action of January 25, 2002, falls on a Saturday, and the next business day is May 28, 2002, the Tuesday following. Applicant therefore mailed this reply on the last day to reply within the two-month response period.

Respectfully submitted,
